***The Covid-19 pandemic was declared March 11, 2020, a global crisis. Such unprecedented times. All plowing/ploughing contests were cancelled or deferred. Russia was first postponed until June of 2021 and in February of 2021, the Russia Championship confirmed that it would be held August 13 -14, 2022.***

***On February 24, 2022 Russia attacked and launched an invasion on its neighboring country Ukraine. The Russian attack on Ukraine is a clear violation and breach of International Law. The World Ploughing Organization’s slogan is: Pax Arva Collat – Let Peace Cultivate the Soil -. The World Organization must not allow itself to be associated with the current Russian leadership. Therefore, the World Ploughing Governing Board decided to cancel the 67<sup>th</sup> World Ploughing Contest in St. Petersburg, Russia. The 67<sup>th</sup> World Ploughing Contest will take place in Ratheniska, Co. Laois., in the Republic of Ireland on September 21 – 22, 2022. Our Canadian Champions will attend. Carman Wepler has stepped back and Brian Davenport (reserve champion) will plow conventional.***
